

Attend the April SSAFE General Committee Meeting featuring

# Doug Tallamy

who will present “Homegrown National Park”

Thursday, April 4th at 11 AM Eastern on Zoom

“Homegrown National Park is a national challenge to create diverse ecosystems in our yards, communities, farms, and surrounding lands by reducing lawn, planting native, and removing invasives.”

*Note: The meeting will last 1.5 hours to allow for Q&A*

**You must be a SSAFE Member to attend the meeting.**
