

# Sustainability Committee – Resident Survey

## February 2025

Thank you for participating in the Sustainability Survey.

Your responses will help guide our initiatives. We welcome your written responses and additional comments throughout the survey.

**1. The Sustainability Committee** has been active at RWD since December 2022. We promote reduce, reuse, recycle, compost, and other activities.

How aware are you of these activities? Circle your answer.

Very Aware	Somewhat Aware	Unaware	Very Unaware
------------	----------------	---------	--------------

How important do you think these activities are?

Very Important	Somewhat Important	Unimportant	Very Unimportant
----------------	--------------------	-------------	------------------

## **2. Repair Services:**

Would it be useful to have access to volunteer repair services for small appliances, furniture, and clothing??

☐ Yes      ☐ No      ☐ Unsure

Would you be interested in volunteering your repair skills to help other residents?

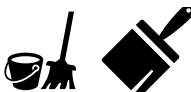

☐ Yes      ☐ No      ☐ Unsure

If yes, please indicate your repair skills (check all that apply):

☐ Small appliances      ☐ Furniture      ☐ Clothing/Textiles  
☐ Electronics      ☐ Other (please specify):

Comments:

## **3. Community Equipment Sharing:**

We are exploring a community sharing program in which residents can post requests for household items they wish to borrow. Fellow residents with available items can contact requesters directly to arrange lending.

Would you be willing to lend items through this program?

☐ Yes      ☐ No      ☐ Unsure

Comments:

Continue on page 2

#### **4. Climate Change:**

Climate change, primarily driven by fossil fuel combustion, represents one of today's most significant challenges.

Would you like to learn more about climate change?

☐ Yes    ☐ No

Would you like information about personal actions you can take to address climate change?

☐ Yes    ☐ No

If carbon offsets were simple, trustworthy, and affordable, would you consider using them to balance your travel emissions?

☐ Yes    ☐ No    ☐ Unsure    ☐ Do not know what a carbon offset is.

#### **5. Space for your ideas:**

How do you view the current focus on sustainability in our community?

☐ Too much    ☐ Just right    ☐ Not enough

Is there anything you think RWD should do to be more sustainable?

- Interested in actively working any aspect of sustainability?  
Join the Sustainability Action Committee.
- Interested in just receiving information without committing to membership?  
Join the Friends of the Environment Interest Group.

For either, please contact: Vicky Barrette [barrette@comcast.net](mailto:barrette@comcast.net)

Thank you! Please return this survey to the Front Desk by March 8.
